

I'm Still Here

Waterdeep

I went flying in a dream last night
Whenever I was scared, I took flight
It didn't seem brave and it didn't seem right
But it always seemed easier than puttin' up a fight

And I'm almost gone
But I'm still here
But still I'm here

Now, tell me a story that'll make me feel
Something far flung but something still real
Something that's human but not depraved
Somebody endangered, but somebody still saved

And I'm almost gone
But I'm still here

When Joshua sat them children down
He said, "I ain't no Moses, but I ain't no clown"
And I know how that river's wide
But if you follow me we'll make it to the other side

'Cause we're almost there
Oh baby, I'm almost there
Oh Jesus, I'm almost there
I'm still here

I'm still here
I'm still here

And I'm almost gone
