

My God Has Come To Save Me

Waterdeep

On the day God saved us
The people all sang
Praise the Father of Heaven
He was angry with me
But now He comforts me
Oh, how He comforts me

My God has come to save me
I will trust Him and not be afraid
My God has come to save me
He is my strength and my song

We will drink from the fountain
Where salvation springs
All the people will shout
Praise to our King
Tell the nations about it

And help them to see
He's the maker of Heaven
He's over everything
He's over everything
My God loves everything

My God has come to save me
I will trust Him and not be afraid
My God has come to save me
He is my strength and my song

On the day God saved us
The people all sang
Praise the Father of Heaven
He was angry with me
But now He comforts me
Oh, how He comforts me

My God has come to save me
I will trust Him and not be afraid
My God has come to save me
He is my strength and my song

My God is come to save me
I will trust Him and not be afraid
My God has come to save me
He is my strength and my song

He is my strength and my song
He is my strength and my song
