## **Sweet River Roll**

Waterdeep

Homebound Henry's got a tumor in his head He wakes up every morning after dreaming he was dead He used to think that life was boring, but now that's not the c ase He turns to his wife in the evening, he says "Honey I'm afraid I'm gonna lose this race."

Sweet River, roll all over me Sweet River, roll all over me Soaking wet Juliet- she lives in a well full of tears Her husband left her for some bimbo after twenty-two years

Now she's got to start all over, but she's just so terrified She thinks it woulda been so much easier if he woulda just died

And I'm lookin out my car window sittin' in the pouring rain Although your house is fifteen miles away, I can still feel you r pain

I've thought and prayed and worked it through about a hundred t imes or more How your soul just cries to everyone to help you get up off the floor Right now it's morning, you're probably totally unaware Of the flood of kisses you hold back by the way that you despai r

It ain't me I'm talking about here, or anybody else you can tou ch That's all I want to say right now, I don't want to say too muc h Except Sweet Jesus, roll all over me Sweet Jesus, roll all over me...

You gotta come down and just set me free
