

# Whenever God Shines His Light

Waterdeep

Do, do, do

Whenever God shined a light on me  
He opened up my eyes so I could see  
When I look up in the darkest night  
Then I know that everything's gonna be alright

In deep confusion and great despair  
When I reach out for help, He is there  
When I'm lonely as I can be  
Then I know that God shines His light on me

Reach out for help, He'll be there  
With Him your troubles you can share  
And if you live the life of love  
You'll get the blessing from above

Well He heals the sick and He heals the lame  
So you can do it too in Jesus name  
He'll lift you up and turn you around  
And He'll put your feet back, feet back on higher ground

Do, do, do

Reach out for help and He'll be there  
With Him your troubles you can share  
And if you live the life of love  
You'll get the blessing from above

Reach out for help, He'll be there  
With Him your troubles you can share  
And if you live the life of love  
You'll get the blessing from above  
You'll get the blessing from above  
You'll get the blessing from above

Do, do, do
