

You Are Lovely

Waterdeep

Lord, when You lift Your voice
It's like no other voice I have known
Lord, when You lift Your hand
All the kingdoms of earth silent go
And when You say the word
Every sickness is cured

You are lovely
You are lovely
You are lovely

You are lovely
(You are lovely)
You are lovely
(You are lovely)
You are lovely

Lord, when You call my name
Wherever You say I will go
Lord, when You come again
Every person will know
And when You show Your face
No one will stay the same

You are lovely
(You are lovely)
You are lovely
(You are lovely)
You are lovely

You are lovely
(You are lovely)
You are lovely
(You are lovely)
You are lovely

Lord, when You sing Your song
All of creation will know
Lord, when You show Your strength
Let justice and righteousness flow
When we see Your holiness
Every tongue will confess

You are lovely
(You are lovely)
You are lovely
(You are lovely)
You are lovely

You are lovely
(You are lovely)
You are lovely
(You are lovely)
You are lovely

You are lovely
(You are lovely)

You are lovely
(You are lovely)
You are lovely
You are lovely
You are lovely

Lord, when You lift Your voice
It's like no other voice I've known
