

All Things New

Watermark

Blue skies will take me back into being a child
Trees with leaves that turn the colors I love
A heart that's beating to your melodies ringing
And I am a miracle 'cause Heaven is a part of me
You are the song that I am singing

I was created to love you
I was created to need you, oh oh
I was created to know you, yeah
And I am a miracle 'cause Heaven is a part of me
You are the air that I am breathing

'Cause of who you are and who I am in you
You make all things pure, oh oh
'Cause of who you are and who I am in you
You make all things true, oh
You make all things new, all things new

I was created to love you, oh oh
I was created to need you
I was created to know you, yeah
And I am a miracle 'cause Heaven is a part of me
You are the air that I am breathing

'Cause of who you are and who I am in you
You make all things pure, oh yeah
'Cause of who you are and who I am in you
You make all things true, who hoo
You make all things new

And I'm so thankful for this life that I know
That I am no longer what I was
'Cause of your love and the beauty of the cross
I can see your work in me

All things new, all things new in me
You make all things new, all things new in me, oh yeah

'Cause of who you are and who I am in you
You make all things pure, oh yeah
'Cause of who you are and who I am in you
You make all things true, hoo yeah
'Cause of who you are and who I am in you
You make all things pure, oh yeah
'Cause of who you are and who I am in you
You make all things true, oh yeah

You make all things new, all things new
All things new, hoo yeah
