

## Arise And Be Comforted

Watermark

Arise and be comforted  
For the Lord, He is good to the weary  
And even the young heart can tire and fall  
But He knows them all  
For the Lord, He will renew their strength  
And they will soar on wings as eagles  
And they will run and never grow weary  
They will walk and not grow faint  
For the Lord, He is good  
Lift your eyes to the heavens  
For the creator is living in you  
Come surrender as you are

And know that you'll never stray too far  
Let His power within you heal your heart  
Lift your eyes to spacious skies  
Let Him chart your way to flight  
Spread your wings and fly  
For the Lord, He is good  
(repeat all)
