

Incorruptible, indescribable, salvation's calling when I was longing

Now you're the strength that holds my life

With a love that will never die

And never fade like the flowers, it is a love that stands forever

Oh, I am not redeemed by corruptible things

Not by silver, not by gold and not by aimless tradition

But by the blood of God's sacred son Jesus

Oh, You alone are my living hope and my inheritance is incorruptible

Incomparable, inconceivable, Your plans for me shall always be  
And for the day that You're revealed

My heart is forever sealed

With the promise of mercy and the hope of all Your glory

Oh, I am not redeemed by corruptible things, oh

And not by silver, and not by gold and not by aimless tradition

But by the blood of God's sacred son Jesus

Oh, You alone are my living hope and my inheritance is incorruptible

Oh, sacred Son, who paid the price

Oh, may I live a grateful life

That magnifies Your name forever

Oh, I am not redeemed by corruptible things

Not by silver, and not by gold and not by aimless tradition

Oh, I am not redeemed by corruptible things, oh

And not by silver and not by gold and not by aimless tradition

But by the blood of God's sacred son Jesus

Oh, You alone are my living hope and my inheritance is incorruptible
