

Invade

Watermark

Come, come in, invade all You see of us
Any man, who'd walk Your road is welcomed here
And You're the only one

Oh Jesus, come and walk the halls of this house
Yeah tread this place and turn it inside out, oh with Your merc
y
And Jesus teach us the prayers that open these doors
Until Your light floods in and illuminates these floors
And let Your truth be on our steps and in these rooms
Jesus invade, invade

And reach, reach in with the hand that heals all our suffering
Conquer all that is not of You, bring Your spirit through
As we fill these walls with Your praise

Oh Jesus, come and walk the halls of this house
Yeah tread this place and turn it inside out, oh with Your merc
y
Oh Jesus teach us the prayers that open these doors
Until Your light floods in and illuminates these floors
And let Your truth be on our steps and in these rooms
Jesus invade, invade

And I call for angels
And I call for mercy
And I call for freedom
In the name of Jesus
In the name of Jesus

Come, come in, invade all You see of us
Any man, who'd walk Your road is welcomed here
And You're the only one, You're the only one
And You're the only one

Oh Jesus, come and walk the halls of this house
Yeah tread this place and turn it inside out, oh with Your merc
y
And Jesus teach us the prayers that open these doors
Until Your light floods in and illuminates these floors
And let Your truth be on our steps and in these rooms
Jesus invade, invade

As I call for angels
I call for mercy
In the name of Jesus
