

# More Than You'll Ever Know

Watermark

Something brought you to my mind today  
I thought about the funny ways you make me laugh  
And yet I feel like it's okay to cry with you

Something about just being with you  
When I leave I feel like I've been near God  
And that's the way it ought to be, yeah

'Cause you've been more than a friend to me  
You fight off my enemies  
'Cause you've spoken the truth over my life

And you'll never know what it means to me  
Just to know you've been on your knees for me  
Oh, you have blessed my life

More than you'll ever know, yeah, yeah, yeah  
More than you'll ever know, yeah, yeah, yeah

You had faith, when I had none  
You prayed God would bring me a brand new song  
When I didn't think I could find the strength to sing

And all the while I'm hoping that I'll  
Do the kind of praying for you that you've done for me  
And that's the way it ought to be

'Cause you've been more than a friend to me  
You fight off my enemies  
'Cause you've spoken the truth over my life

And you'll never know what it means to me  
Just to know you've been on your knees for me  
Oh, you have blessed my life

More than you'll ever know, yeah, yeah, yeah  
More than you'll ever know, yeah, yeah, yeah

You have carried me  
You have taken upon a burden that wasn't your own  
And may the blessing return to you  
A hundredfold, oh yeah, a hundredfold, oh yeah

'Cause you've been more than a friend to me  
You fight off my enemies  
'Cause you've spoken the truth over my life

And you'll never know what it means to me  
Just to know you've been on your knees for me  
Oh, you have blessed my life

More than you'll ever know, yeah, yeah, yeah  
More than you'll ever know, yeah, yeah, yeah

More than you'll ever know, yeah, yeah, yeah  
More than you'll ever know

More than you'll ever know
