

# All I Need is One

Watsky

[Hook:]

One tape in the deck  
One way to connect (all I need is one)  
One moment alone  
One reason to roam  
One place I call home (all I need is one)  
One tick on the clock  
One trick up my sleeve  
One thing to believe (all I need is one)  
One person to love  
One verse and one prayer  
For one person who cares (all I need is one)  
So put one hand in the air

It used to be I'd get afraid and I'd drive  
Going forward's always been the only place I can hide  
With no direction I would speed a hundred miles down the coast  
Until I lose the ghost that's chasing me but never arrive  
I know the night's scary, but we're alive and the pipe's cherry  
And I've got a stack of papers like a library  
I'm driving seeking a beacon of light freakishly  
All I needed was a speaker that might speak to me  
But my CD system is so janky a cone dangles  
And it dances on its chord like it's Bo Jangles  
You can work it if you hold it at a low angle  
But when the bass hits it grows tangled  
Come on right speaker! I'll take everything you give me  
But don't pity me, there's people living on a single kidney  
In my shitty car I'm living large and mashing through my city  
Sitting pretty I know  
That I'm ready to go, because

One tape in the deck  
One way to connect (all I need is one)  
One moment alone  
One reason to roam  
One place I call home (all I need is one)  
One tick on the clock  
One trick up my sleeve  
One thing to believe (all I need is one)  
One person to love  
One verse and one prayer  
For one person who cares (all I need is one)  
So put one hand in the air

For beautiful babies in Vegas on their last chip  
For all my ninth life kittens hittin' catnip  
For heavy drinkers thinking they were never jack shit  
You're thinking that's it, but hit a backflip  
You got a cracked rib or, maybe a bad liver  
You got a bad hip or even a bad temper  
But if it's last supper, one legged mad leper  
Put on that glass slipper, you ain't no half stepper  
This ain't no last breath, it's only one collapsed lung  
We're holding up the bank with nothing but a cap gun  
Down to your last blank  
Down to my last drop

Up in the gas tank  
We better have fun  
Time isn't a sacred cow  
And I'm willing to take it down to the final minute or second, milking my last one  
Going up for a take and I'm itching for action  
All I need is one  
I should remind myself that

All I need is one  
All I need is one  
All I need is one  
All I need is one  
So put one hand in the air  
One tape in the deck  
One way to connect (all I need is one)  
One moment alone  
One reason to roam  
One place I call home (all I need is one)  
One tick on the clock  
One trick up my sleeve  
One thing to believe (all I need is one)  
One person to love  
One verse and one prayer  
For one person who cares (all I need is one)  
So put one hand in the air
