

# Boomerang

Watsky

I hear a little patience what a man need  
But bottling the feelings'll make a man bleed  
The words leave my mouth in a stampede  
Watch em galloping, breaking records for land speed  
My heart pumps and my lips tend to obey  
You're just so Bay, I hope you don't say "no way"  
Now that I came back around to okay  
And if you love me I will love you till we go grey  
So be my do-ray-me-fa-so-la-ti-do  
We'll hit El Farolito, and get a bomb burrito  
I try to kill my ego when your subject appears  
But I still think of you when I had a couple of beers  
I'll see you soon I got no use for a bucket of tears  
It seemed unlucky how we'd orbit each other for years  
We got our timing right and then I collided with you  
The wait is worth it in the moment we finally do

What I told you maybe half was true  
I know neither of us have a clue  
I'm always coming back to you  
Your boo, your boo, your boomerang  
I know neither of us have the key  
But I'm telling you, you have to see  
How you're always coming back to me  
My boo, my boo, my boomerang

You press my buttons like I were a Nintendo  
Me and her up in a permanent limbo  
It's like it's nothing when we're burnin the indo  
The streetlights like a blur in the window  
I got no cause to feel I was betrayed  
It's just a symptom of the game we played  
We pull the hearts out of each others' chests, pull the pins out of the hearts  
And toss em back and forth like they're grenades  
Hot potato, hot potato, what did you do?  
Blow my fuckin arm off and then kiss the booboo  
Hit me with a shovel, and then say "I dig you"  
And be colder than an igloo  
When you want me I don't want you, when I want you, you don't want me  
When I sing a tune and you sing it too then it's "womp womp" in the wrong key  
You always let me go and do my thang  
But I'm always coming back again-boomerang

What I told you maybe half was true  
I know neither of us have a clue  
I'm always coming back to you  
Your boo, your boo, your boomerang  
I know neither of us have the key  
But I'm telling you, you have to see  
How you're always coming back to me  
My boo, my boo, my boomerang
