If I go spit a poem  
If I go kick a flow  
Doesn't really matter man cause the jam is a Watsky  
When I get a mic and I go rip a rhythm ain't a name in the whole damn gonna  
stop me  
Probably gonna rip it too  
Cause the city wants a hippy with a bit to prove  
I got shit to do  
I got the sickest crew  
And so what the fuck is it to you, dude  
If I got no stage name  
I got stage game out the ass  
And a master plan  
It's an avalanche  
When I spit a little bit of slam  
And I hit you with the battleram  
Got a cattle brand "GW bar none" so what do you park man?  
Got money and cars? I study the stars  
And I couldn't care less who you rep in your set show respect  
I'll be rapping I bet  
Lean to the left flow right Oh my god!  
A rose by any name got thorns as sharp  
Yo, stage names are for porno stars  
And Watskeet skeet skeet skeet is far  
From what I'm trying to do, who I'm trying to be  
Mother fu-fu-fu-fuck this industry

So I be giving you what I been doing during the minutes that other rappers h  
ave been napping on the clock  
Cause if I walk the walk and I talk the talk and I'm popping off cause my fl

What's in a name man, flow comes first  
I'm never gonna curse - that I got it worst when I roam the earth  
It's a ridiculous coincidence that shows my worth  
You know my parents went and chose my emcee name at birth  
I don't need a mask  
To cover my ass  
So why would you ask?  
Go put me on blast  
I'll take you to task  
This name is my last  
[gasp] So put it on my tombstone when I pass  
(Here lies a fine emcee, the kind who grasps the fact  
That these aren't circus acts to make you clap, it's rap to make you think a  
nd act)

I think you understand by now the thought involved  
That if I wanted to be called another name I would have scrawled it on the b  
athroom wall  
I'm not apologizing for a policy that makes a college kid go call himself  
Thugdog and not expect assault  
I'm marching on and calling all dissenters who  
Would like to be included in this emcee designation coup  
I'm set to get a crew  
We're gonna get a clue and then we'll put it up for you to view  
Coo coo ca choo  
I am the "insert you"  
Come on everybody do it too
