Fu-Fu-Fu-Fuck an MC Name

If I go spit a poem If I go kick a flow

Doesn't really matter man cause the jam is a Watsky

When I get a mic and I go rip a rhythm ain't a name in the whole damn gonna stop me

Probably gonna rip it too

Cause the city wants a hippy with a bit to prove

I got shit to do

I got the sickest crew

And so what the fuck is it to you, dude

If I got no stage name

I got stage game out the ass

And a master plan

It's an avalanche

When I spit a little bit of slam

And I hit you with the battleram

Got a cattle brand "GW bar none" so what do you park man?

Got money and cars? I study the stars

And I couldn't care less who you rep in your set show respect

I'll be rapping I bet

Lean to the left flow right Oh my god!

A rose by any name got thorns as sharp

Yo, stage names are for porno stars

And Watskeet skeet skeet is far

From what I'm trying to do, who I'm trying to be

Mother fu-fu-fuck this industry

If I gotta be MC You to do MC Me

Fu-Fu-Fu-Fu-

Fuck the limit I got a keep it coming if I wanna make it to the top

So I be giving you what I been doing during the minutes that other rappers h ave been napping on the clock

Cause if I walk the walk and I talk the talk and I'm popping off cause my flow is hot

Then I'm pretty motherfucking positive I never gotta be somebody I'm not

What's in a name man, flow comes first
I'm never gonna curse - that I got it worst when I roam the earth
It's a ridiculous coincidence that shows my worth
You know my parents went and chose my emcee name at birth
I don't need a mask
To cover my ass
So why would you ask?
Go put me on blast
I'll take you to task
This name is my last
[gasp] So put it on my tombstone when I pass
(Here lies a fine emcee, the kind who grasps the fact
That these aren't circus acts to make you clap, it's rap to make you think a nd act)

I think you understand by now the thought involved
That if I wanted to be called another name I would have scrawled it on the b
athroom wall
I'm not apologizing for a policy that makes a college kid go call himself
Thugdog and not expect assault
I'm marching on and calling all dissenters who
Would like to be included in this emcee designation coup
I'm set to get a crew
We're gonna get a clue and then we'll put it up for you to view

Coo coo ca choo
I am the "insert you"
Come on everybody do it too
