Mister Softee's back  
The block under attack  
Frozen Mickey Mouse head massacre  
Mac cherry matte glossed lips smack  
Please mind the thigh gap  
Pierced venus fly trap  
French kiss french toast french roast light frap  
French-goodbye the nightcap  
Full Japanese sleeves  
Brazilian hair weaves and bazillionaire thieves  
Heavenly heavily creased Canal Street queen  
25 if a fiend  
Maybe 40 if she's clean  
Shorty in black, Nightmare Before Christmas, ripped, safety-  
pinned jeans  
Obscenely scene art crowd  
Bean to bar insert fart sound  
Far out, daddy-o  
Daddy issues  
Data dumpster  
Dumb on purpose  
Optimistic prophylactic purchase  
Swipe right, minimal hesitation  
Possible digital penetration  
Popsicle in the butthole?  
Wait, where are you going?  
Wait. Wait. Please wait. Wait!  
My safeword is "safeword"  
Say word if that's hot  
Word  
Not!  
What?  
Stop! How much you fuckin got?  
Lay up off your cash, your pants, and throw the Her Pleasure tr  
ojans on the top!  
Drop, kiss the pavement, spread your mothafucking cheeks and ma  
ke em talk  
"wawawawah"  
The familiar wa-wa-walk of shame  
Glittering city of dreams  
Sex is on the breeze  
Must be springtime in the city
