

Don't Leave

Wave

I laid my heart out on the line
I couldn't keep it locked inside
all because my pride
I was so wrong
with every moment that goes by
I wonder how can I keep you in my life

Don't leave this way
I ain't too proud to beg
and I know
that I'm to blame
though I never meant to hurt you at all
(never meant to hurt you no)

Please try and understand
this is not what I had planned
now it's all in your hands
don't let it go

Don't leave this way
I ain't too proud to beg
and I know
that I'm to blame
though I never meant to hurt you at all
(never meant to hurt you no)

I never knew love like this before
I never wanted more
I'd never let it go
don't leave this way
I ain't too proud to beg
and I know
that I'm to blame
though I never meant to hurt you at all
(never meant to hurt you no)

Don't leave this way
I ain't too proud to beg
and I know
that I'm to blame
though I never meant to hurt you at all
(never meant to hurt you no)
