

I'd Give Anything

Wave

Hold on
and hope for better change
like the cloudy day being washed away
by the warm summer rain
singing songs
as the way to carry on
let my imagination take me where I belong
forever ill be waiting for a day together

Hey I'd give anything
all of the love I bring
oh to be closer to
where all my dreams come true
I'd give anything

So gone
never to return
I'm on my way no holding back or bridges left to burn
memories
some may some and go but the ones that I remember
are the ones I wont let go
forever I'll be waiting for a day together

Hey I'd give anything
all of the love I bring
oh to be closer to
where all my dreams come true
I'd give anything

There's time and a place for everything
let's hope I make it on the outside
theres a world that is strange and in in between
let's hope I make it on the inside

Hey I'd give anything
all of the love I bring
oh to be closer to
where all my dreams come true
I'd give anything

I'd give anything
