

Until The Record Breaks

Wave

I saw you standing by the stack of forty-fives
looking at 'I Want You Back' by the Jackson Five
I really want to show you my affection
as we flip through my record collection

I wanna hang out with you
play it all day
fall into the words they sing in 'Every Breath You Take'
I want to turn it up loud, get carried away
you and me in synchronicity
until the record breaks.

I saw you crack a smile then turn the other way
while the speakers in the record store were
playing Marvin Gaye
Let's get it on, Let's get it on

I wanna hang out with you
play it all day
fall into the words they sing in 'Every Breath You Take'
I want to turn it up loud, get carried away
you and me in synchronicity
until the record breaks.

I just want to come together
dancing in the living room
on a Sunday afternoon

I wanna hang out with you
play it all day
fall into the words they sing in 'Every Breath You Take'
I want to turn it up loud, get carried away
you and me in synchronicity
until the record breaks.
