I don't walk outside
Cause where would I go?
We won't know

Time takes its toll
And where would I go?
We won't know

Because I don't wanna smoke outside
I don't wanna walk outside
Cause where would I go?
Well I don't know

Time takes its toll
And where would I go?
We don't know

Because I don't wanna smoke outside I don't wanna walk outside
without you
