

## Convertible Balloon

Wavves

Shinin' in the sun like a convertible balloon  
Shinin' in the sun like an incredible gloom  
Drivin' around with my convertible tunes  
Partyin' around in my invertible cocoon

Lyin' inside of my insufferable womb  
Boggin' me down with your unbearable tone  
Sittin' alone playin' nintendo in my room  
Lyin' inside of a convertible balloon

Sittin' alone playin' nintendo in my room  
Lyin' inside of a convertible balloon
