Destroy

Wavves

I can't pick myself up off the ground
Try to do different things
But I don't know how
Where do I go from here now
My world is ending
I know I gotta get out

I can't pick myself up off the couch
Try to do different things
But I don't know how
Where do I go from here now
This world is ending
I know I gotta get out
Destroy

I can't seem to get out of shroud Pissed off mom but did dad proud So he's taking me out of here now Cause your world is ending I don't belong here now It's time to destroy Destroy
