

# Here's To The Sun

**Wavves**

Here's to the sun  
Here's to the big one  
Here's to the sun

We have a part  
We have a big part  
We have a part

Here's to the sun  
Here's to the big one  
Here's to the sun

Here's to the moon  
Here's to the big you?  
Here's to the moon

We have a part  
We have a big part  
We have a part

Here's to the sun  
Here's to the big one  
Here's to the sun

Here's to the moon  
Here's to the big you?  
Here's to the moon

We have a part  
We have a big part  
We have a part
