

How Are You?

Wavves

There's a hole in my head
I won't make it to twenty-five

He's at the foot of my bed
I'm happy just to be alive

And he said
Ha-ha-ha-how...
Ha-ha-ha-how are you?

I said I won't see twenty-five
But I'm here for twenty-two

There's a hole in my chest
Big enough to fill the sea

I fake a smile to myself
Wishin' I could fall asleep

And I said
Ha-ha-ha-how...
Ha-ha-ha-how are you?

He said I won't see twenty-five
So I'm gonna see you soon
Real soon
