

# I Wanna Meet Dave Grohl

Wavves

I can't live with my mistakes  
Get out of bed or face this day

But I need to  
Needle in my eye  
I just need you to go sit down  
Cause I told you I'd bury it deep in the ground

A joke a stroke of genius  
Probably somewhere in between  
No joke the broken records laughing  
While she gasps and screams  
A lull from up above my neck  
But still below my spleen

I am what I am who am I?  
I don't know what that means

But I wanna meet Dave Grohl  
I wanna meet Dave Grohl  
I wanna meet Dave Grohl

I'm not a kid?  
That's my mistake  
Get out of bed?  
Nah fuck this day

But I need to  
Needle in my eye  
I just need you to be around  
But I told you I'd bury it deep in the ground

A joke a stroke of genius  
Probably somewhere in between  
No joke the broken records laughing  
While she gasps and screams  
A lull from up above my neck  
But still below my spleen

I am what I am who am I?  
I don't know what that means

But I wanna meet Dave Grohl  
I wanna be Dave Grohl  
I wanna be Dave Grohl

Never gonna stop me
