

Idiot

Wavves

Laugh, I bet you laugh
I bet you laugh right behind my back
I won't ever die
I'll go surfing in my mind

I'm not supposed to be a kid
But I'm an idiot
I'd say I'm sorry
But it wouldn't mean shit

Ahhh, my skull just cracked
I didn't bother listening to the rest
I won't ever die
I'm a hero in my mind

I'm not supposed to be a kid
But I'm an idiot
I'd say I'm sorry
But it wouldn't mean shit
But it wouldn't mean shit
But it wouldn't mean shit

Shit
But it wouldn't mean shit
