Laugh, I bet you laugh I bet you laugh right behind my back I won't ever die I'll go surfing in my mind

I'm not supposed to be a kid But I'm an idiot I'd say I'm sorry But it wouldn't mean shit

Ahhh, my skull just cracked I didn't bother listening to the rest I won't ever die I'm a hero in my mind

I'm not supposed to be a kid But I'm an idiot I'd say I'm sorry But it wouldn't mean shit But it wouldn't mean shit But it wouldn't mean shit

Shit But it wouldn't mean shit
