

In The Sand

Wavves

Say
What you wanted to say
What you wanted to say
I didn't care anyway

Sink
To the bottom of the sea
To the bottom of the sea
Darling just you and me

I'm gonna lie, lie, lie, lie, lie
With my head in the sand

Say
What you wanted to say
What you wanted to say
I didn't care anyway

Sink
To the bottom of the sea
To the bottom of the sea
Darling just you and me

I'm gonna lie, lie, lie, lie, lie
With my head in the sand
In the sand

Do
What you wanted to do
What you wanted to do
Cause it's all up to you

Sink
To the bottom of the sea
To the bottom of the sea
Darling just you and me

I'm gonna lie, lie, lie, lie, lie
With my head in the sand
In the sand
