

Summer Goth

Wavves

Wait 'till the bottom of the barrel then I'll tell you that I l
ove you

I can't wait to get home and wrap my arms 'round you

I can't wait to get home and tell her that I love her

I can't wait to get home and tell her that I do

Do you really wanna see it do you really wanna let it go?

Wait 'till the bottom of the barrel then I'll tell you that I l
ove you

I can't wait to get home and wrap my arms 'round you

I can't wait to get home and tell her that I love her

I can't wait to get home and tell her that I do

Do you really wanna see it do you really wanna let it go?

Wait 'till the bottom of the barrel then I'll tell you that I l
ove you

I can't wait to get home and get my arms 'round you

I can't wait to get home and tell her that I love her

I can't wait to get home and tell her that I do

Do you really wanna see it do you really wanna let it go?
