

Sun Opens My Eyes

Wavves

I'm just a guy with nothing to do
I'm just a guy with something to say
I'm just a guy with something to prove

I'm just a guy with nothing to say
I'm just a guy with something to do
I'm just a guy having fun in the sun

Fa-la those eyes

I'm just a guy with nothing to do
I'm just a guy with something to prove
I'm just a guy having fun in the sun

I'm just a punk with nothing to do
I'm just a punk with nothing to prove
I'm just a punk having fun in the sun

I'm just a punk with nothing to say
I'm just a punk with nothing to do
