

California

Wax

```
im gonna move to southern california
got me a ride
and a reason to ignore you
got me a radio
aint got no speakers
aint much use
so im leaving it
leaving it for you
im leaving it for you
could be by for you
gotta find a room
and im running out of money
staying out late
but i gotta get up early
why did i move to southern california?
smile gets so blue
someone shoulda warned you
they shoulda warned you
could be by by
could be by for you
why did i move? [southern california]
why did i move? [southern california southern
california]
why did i move? [southern california southern
california]
southern california southern california]
why did i move to southern california?
