

## Fear

## Way Out West

Rummaged through my soul and found no limits.  
Rummaged through my soul and found no fear.  
Rummaged through my soul.  
My eyes are open.  
Now it seems to shock me, it's so clear.

And so you told me  
You were open  
In the daylight, you'd begin  
Sudden movements all around me  
In the daylight, and let me in

I found the open spaces claustrophobic.  
I found the walls let me in.  
I found there was no passion in my limits.  
I found the voice of you deep within.  
And so you told me  
You were open\*  
In the daylight, you'd begin  
Sudden movements all around me  
In the daylight, and let me in.  
Crazy little stories make me paranoid.  
I can hear people talking about me.  
Suddenly, inside this is a loud noise.  
Suddenly, my face becomes clear
