

The Gift

Way Out West

The moon and the stars
Are the gift someday
The moon and the stars
Are the gift someday

The moon and the stars
Are the gift someday
The moon and the stars
Are the gift someday

The moon and the stars
Are the gift someday
The moon and the stars
Are the gift someday

Are the gift someday
Are the gift someday

The moon and the stars
Are the gift someday
The moon and the stars
Are the gift someday
