

## Mindstorm

WAYD

Sometimes I feel there's no meaning  
Sometimes I know your fear  
Sometimes I look into your eyes  
Sometimes I hope you'll realize

Don't know what to say  
Don't know what to feel  
Do I hear what I hear?  
Do I see what I see?  
Is it life what I live?  
Is it air what I breathe?  
Is it light what I need?
