

## Sperm, Milk & Fate

WAYD

Sperm, milk & fate  
With the rhytm of the age  
Sperm, milk & fate  
Shocking, shininr, dead

Sperm, milk & fate  
I break the ascendance  
Sperm, milk & fate  
In the golden cage

And the blood runs wild  
As the sun burns staring eyes  
And the blood runs wild  
As the sun burns staring eyes

Your birth, your milk, your fate

Sperm, milk & fate  
With the rhytm of age  
Sperm, milk & fate  
Shocking, shining, dead

Sperm, milk & fate  
I break the ascendance  
Sperm, milk & fate  
In the golden cage

And the blood...  
As the sun...

Your birth, your milk, your fate

Sperm, milk & fate...
