

## Velvet Deserts

WAYD

[music: WAYD/lyrics: D.Jurik]

pieces of memory and mind,  
relief and pride, pleasure & pain  
virtue & vice

whenever i'm dreaming  
dissapointment pulls me down  
the vision of previous day  
is dreadful and wild  
so i sometimes make mistakes  
experience's cruel  
but nothing has changed  
i'm just thinking over now

pieces of memory and mind  
relief and pride, pleasure and pain  
virtue and vice

whenever i'm dreaming....

pieces...
