

## A Couple More Years

Waylon Jennings

I've got a couple more years on you baby that's all  
I've had more chances to fly and more places to fall  
That's not that I'm wiser it's just that I've spent  
More time with my back to the wall.

And I've picked up a couple more years on you baby that's all  
I've walked a couple more roads than you baby that's all  
And I'm tired of running while you're only learning to crawl  
And you're going somewhere but I've been to somewhere  
And found it was nowhere at all.

And I've picked up a couple more years on you baby that's all.  
Saying goodbye girl don't ever come easy at all  
But you've got to fly cause you're hearin' them young eagles ca  
ll  
Someday when you're older you'll smile at a man strong and tall  
And say I've got a couple more years on you baby that's all.

You'll say I've got a couple more years on you baby that's all  
I've had more chances to fly and more places to fall  
That's not that I'm wiser it's just that I've spent  
More time with my back to the wall...
