A Couple More Years

Waylon Jennings

I've got a couple more years on you baby that's all I've had more chances to fly and more places to fall That's not that I'm wiser it's just that I've spent More time with my back to the wall.

And I've picked up a couple more years on you baby that's all I've walked a couple more roads than you baby that's all And I'm tired of running while you're only learning to crawl And you're going somewhere but I've been to somewhere And found it was nowhere at all.

And I've picked up a couple more years on you baby that's all. Saying goodbye girl don't ever come easy at all But you've got to fly cause you're hearin' them young eagles call

Someday when you're older you'll smile at a man strong and tall And say I've got a couple more years on you baby that's all.

You'll say I've got a couple more years on you baby that's all I've had more chances to fly and more places to fall That's not that I'm wiser it's just that I've spent More time with my back to the wall...
