

# Armed and Dangerous

Waylon Jennings

Ran my Chevy through the car wash  
Threw the beers cans out  
Emptied all the ash trays  
Cleaned a little house  
Got my Allman Brothers cassettes  
Stacked up on the dash  
Got some jack back in the trunk  
And a tank full of gas

Stopped and bought some roses  
To sweep you off your feet  
Yes I'm going for the limit, girl  
I'm gettin' in the real deep  
Dusted off my Dingos  
Got my Levis pressed  
Gonna break into your heart  
And steal what I love best

R: Yes, I'm armed and dangerous  
Woman, you've made me a desperate man  
Armed and dangerous  
Comin' for your lovin' yes I am

Take a ride out in the country  
Where the grass is tall and cool  
And do some barefoot dancin'  
How's that sound to you  
And I've got some other things  
That I might suggest  
But if I put them on this record  
I'd be under arrest

R: (2x)
