Don't Think Twice, It's All Right

Waylon Jennings

Well it ain't no use to sit and wonder why, babe If you don't know by now And it ain't no use to sit and wonder why, babe It will never do anyhow When your rooster's a crowing at the break of dawn Look out your window and I'll be gone You're the reason why I'm traveling on But don't think twice, it's all right

An it ain't no use in turnin' on your light, baby The light I never knowed An it ain't no use in turnin' on your light, baby I'm on the dark side of the road But I wish there was somethin' I could do or say To try and make you change your mind and stay We never did too much talking anyway But don't think twice, it's all right

Well it ain't no use in calling out my name, gal Like you never done before It ain't no use in calling out my name, gal I can't hear you any more I'm a-thinking and a-wondering, walking down the road I once loved a woman, a child I'm told I give her my heart but she wanted my soul But don't think twice, it's all right

So long honey baby Where I'm bound, I cannot tell But goodbye's too good a word, gal So I'll just kinda say "Fare thee well" Now I'm not saying that you treated me unkind You could have done a lot better but I don't mind You just kinda wasted my precious time But don't think twice, it's all right
