

Donna On My Mind

Waylon Jennings

Donna on my mind when I get up in the morning,
Donna on my mind the whole day through,
love can't come so quick and real without any warning wonder if
she's thinking of me too.

Once I thought that no one girl could ever hold me even thought
this thing called love was just fantasy,
now I won't be satisfied until she's mine,
'till then I'll just have Donna on my mind.

Once I thought that no one girl could ever hold me even thought
this thing called love was just fantasy,
now I won't be satisfied until she's mine,
'till then I'll just have Donna on my mind.
