

Dream Baby

Waylon Jennings

Sweet dream baby,
Sweet dream baby
Sweet dream baby,
How long must I dream.

Dream baby, got me dreamin'
Sweet dreams the whole day through.
Dream baby got me dreamin'
Sweet dreams in nighttime too.

I love you and I'm dreamin' of you
That won't do
Dream baby, help me stop my dreamin' of you
And make my dreams come true.

Sweet dream baby
Sweet dream baby
Sweet dream baby,
How long must I dream...
