

Freedom to Stay

Waylon Jennings

I tied my bandana took my pack from the floor
You were still sleeping as I stood at the door
Once more I was headin' to God only knows where
That's when it hit me I was already there.

I could ramble a thousand miles or more
Never find the light I've seen in your eyes before
You gave me the freedom to go on my way
But you gave me much more you gave me the freedom to stay.

Why keep on runnin' just to wish on a star
Searching for Heaven when I know where you are
Life is just empty when you're walking alone
So wherever we're going girl Lord it's good to be at home.

I could ramble a thousand miles or more
Never find the light I've seen in your eyes before
You gave me the freedom to go on my way
But you gave me much more you gave me the freedom to stay...
