

# I Don't Mind

Waylon Jennings

I don't mind, I don't mind  
I did for a time but I don't mind.

It used to break my heart each time you cheated  
I tried to leave the Lord knows how I tried  
But I stay here no matter how I'm treated  
And all it really cost me was my pride.  
But I don't mind, I don't mind  
I did for a time but I don't mind

You and I have a perfect understanding  
You come and you go as you please  
And I never get too angry or demanding  
It's hard to get mad on your knees.  
But I don't mind, I don't mind  
I did for a time but I don't mind

Once I was strong as a mountain  
I stood tall like a giant oak tree  
Now my blood runs thin like water in a fountain  
You took all the man out of me.  
But I don't mind baby, I don't mind  
I did for a time but I don't mind...
