

It's Not Supposed To Be That Way

Waylon Jennings

It's not supposed to be that way
You're supposed to know I love you
But it don't matter anyway
If I can't be there to console you.

And like the other little children
You're gonna dream a dream or two
But be careful what you're dreamin'
Or soon your dreams'll be dreamin' you.

It's not supposed to be that way
You're supposed to know I love you
But it don't matter anyway
If I can't be there to console you.

When you go out to play this evenin'
Play with fire flies till they're gone
Then you rush to meet your lover
Play with real fire till the dawn.

It's not supposed to be that way
You're supposed to know I love you
But it don't matter anyway
If I can't be there to console you...
