Let Me Talk To You

Waylon Jennings

Just one more dance Just one more chance So I can talk to you We've both have paid Don't be afraid Just let me try to prove I would do anything You want me to.

Just one more dance Just one more chance Let me talk to you Don't go too far. With that crowd at the bar That's not the way to win Let's fall in love again Give me your heart And let me start To build our life anew.

Just one more dance Just one more chance Let me talk to you Just one more dance Just one more chance Let me talk to you...
