

## Living Legends

Waylon Jennings

Was it bitter then with our backs against the wall  
We were better men than we'd ever been before  
Say if she came again today would you still answer to the call  
Tell the truth my friend don't it matter anymore.

We were simple men by her side when she was born  
It was simple then like the freedom when you fall  
And we were smaller then you see but soon we gathered like a storm  
They don't understand what that thunder meant at all.

Was he crucified was he done in by the law-men  
Are you satisfied that he'll never ride again  
Some people say he got away they say he never died at all  
If that story's true does it bother you my friend...
