

## Lonely Weekends

Waylon Jennings

Well, I make it alright  
From Monday morning till Friday night  
Oh, those lonely weekends  
Since you left me  
I'm as lonely as I can be  
Oh, those lonely weekends.

Said you'd be true to me  
You said our love's never gonna die  
Said you'd be true to me  
But baby you didn't even try.

I'll make it alright  
From Monday morning till Friday night  
Oh, those lonely weekends.

You said you'd be true to me  
You said our love's never gonna die  
Said you'd be true to me  
But baby you didn't even try.

I'll make it alright  
From Monday morning till Friday night  
Oh, those lonely weekends.

Oh, those lonely weekends.  
Oh, those lonely weekends...
