

# Mansion on the Hill

**Waylon Jennings**

Tonight down here in the valley I'm lonesome and oh how I feel  
As I sit here alone in my cabin I can see your mansion on the hill

Do you recall when we parted the story to me you revealed  
You said you could live without love dear in your loveless mansion on the hill

I've waited all through the years love to give you a heart true  
and real  
Cause I know you're living in sorrow in your loveless mansion on the hill  
The light shines bright from your window the trees stand so silent and still  
I know you're alone with your pride dear in your loveless mansion on the hill
