Nothing Catches Jesus by Surprise

Waylon Jennings

The way you caught my eye in Paris, Tennessee Selling seduction, well I'm seduced You sell a war then we sell a truth It's the truth

So baby, just close your eyes Nothing catches Jesus by surprise

Confusin' love for heated passion Got what I want but no satisfaction Ain't it funny how things can change? We're amazed how they stay the same Oh, it's the same

So baby, just close your eyes Nothing catches Jesus by surprise

You look so pretty when you smile I haven't seen that for a while

Talk about trouble, we've had our share
It's a wonder we're still here
I don't know why I make you cry
It's a part of me I don't like at all, oh

So baby, just close your eyes Nothing catches Jesus by surprise

Baby, just close your eyes Nothing catches Jesus by surprise
