

## Only Daddy That'll Walk the Line

Waylon Jennings

Everybody knows you've been steppin' on my toes  
And I'm gettin' pretty tired of it  
You keep a steppin' out of line  
You're messin' with my mind  
If you had any sense you'd quit

'Cause ever since you were a little bitty teeny girl  
You said I was the only man in this whole world  
Now you better do some thinkin' then you'll find  
You got the only daddy that'll walk the line

I keep a workin' every day all you want to is play  
I'm tired of stayin' out all night  
I'm comin' unglued  
From your funny little moods  
Now Honey baby that ain't right

'Cause ever since you were a little bitty teeny girl  
You said I was the only man in this whole world  
Now you better do some thinkin' then you'll find  
You got the only daddy that'll walk the line

You keep a packin' up my clothes nearly everybody knows  
That you're still just a puttin' me on  
But when I start a walkin'  
Gonna hear you start a squawkin'  
And beggin' me to come back home

'Cause ever since you were a little bitty teeny girl  
You said I was the only man in this whole world  
Now you better do some thinkin' then you'll find  
You got the only daddy that'll walk the line

You got the only daddy that'll walk the line
